

REMARKS

In the Final Office Action of June 30, 2005, claims 42-45 were objected to for being dependent upon a rejected base claim but would have been allowable if rewritten in independent form. In an Amendment After Final filed on July 13, 2005, Applicants had intended to amend claim 41 to include all of the limitations of claim 42. However, the amendment mistakenly did not include all of the limitations of claim 42. With the present amendment, this error has been corrected so that claim 41 now includes all of the limitations of former claim 42. As such, claim 41 as amended now represents claim 42 written in independent form. Therefore, claim 41 and claims 43-45 which depend therefrom are in form for allowance.

With the present amendment, claim 54 has been amended to depend from claim 52 and as such is also in form for allowance.

With the above amendments, claims 41, 43-46, 48-52, 54 and 56 are in form for allowance. Reconsideration and allowance of these claims is respectfully requested.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
